Usability Questionnaire of User Tasks to Test With users

- Stephanie's Suggestions:
    - Was the region filtration wheel easy to figure out?"
    - How easy was it to get filtered information based on region and focus area?

- Brooklyn's Suggestions:
    - How to navigate from home page to personal story page?
    - With the placement of the focus area drop down menu, were you able to understand which region was highlighted?

- Jessica's Suggestions:
    - Would the current navigation and interaction make the report feel more digestible / does the design make you want to read the contents?
    - Does the design and navigation feel natural?
    - Does the filtration do a good job of specifying the chosen key issue of the region?
